For our seniors, students, disabled residents and commuters who depend on C-TRAN every day, there is too much at stake:

Without Prop 1, C-TRAN will be forced to cut:

- 2 of every 5 buses currently on the road
- 12 weekday routes
- 2 Saturday routes
- ALL Sunday and holiday routes
- ALL special event service (Clark Co Fair and 4th of July at the Fort)
- The Camas Connector service
- And dozens of stops and hours

For just two cents on a ten dollar taxable purchase we can prevent these cuts and
